

# Teachers, getting ready for economics + personal finance and online learning?

Here are some of **MRU's FREE resources** to help you prepare.

## Videos Mapped to CEE Standards

We've combed through our library of over 900+ videos to provide a list of videos mapped specifically to CEE Voluntary National Content Standards in Economics.

## Globalization, Robots, and You

Help students navigate tomorrow's economy with this free, 5-day online curriculum.

## ECON INBOX

A weekly email of current events and activities tailored to what you're teaching.

## Teaching Econ Online FB Community

Join our Facebook Group of over 1,300 econ educators sharing tips on transitioning to online and other resources!
