

Decision Making Activity

Name: _____ Date: _____

Directions: Read the following story and answer the questions in the space provided.

Your teacher has asked you and Rosa to put some books on the bookshelf before lunch. If you help Rosa, then you can both earn 5 more minutes on the playground. If you do not help Rosa, you will be able to line up for lunch and may be first in line.

What is your decision? Circle the answer that fits your decision.

- A. Put the books away
- B. Try to be first in the lunch line

Put "X" in the box that shows the benefit of your decision. Put "O" in the box that shows your opportunity cost.

	5 More Minutes on Playground	First in Lunch Line
Put Books Away		
Line Up
