# EconEdLink Membership

You can now access CEE's professional development webinars directly on EconEdLink.org! To receive these new professional development benefits, **become an EconEdLink [member](#)**. As a member, you will now be able to:

- Automatically receive a professional development certificate via e-mail within 24 hours after viewing any webinar for a minimum of 45 minutes
- Register for upcoming webinars with a simple one-click process
- Easily download presentations, lesson plan materials and activities for each webinar
- Search and view all webinars at your convenience
- Save webinars to your EconEdLink dashboard for easy access to the event

You may access our new **Professional Development** page [here](#)

# Professional Development Certificate

To earn your professional development certificate for this webinar, you must:

- Watch a minimum of 45-minutes and you will automatically receive a professional development **certificate** via e-mail within 24 hours.

Accessing resources:

- You can now easily download presentations, lesson plan materials, and activities for each webinar from [EconEdLink.org/professional-development/](https://EconEdLink.org/professional-development/)

# Agenda

- Objectives
- Review a Sample Math in the Real-World Lesson
- Nearpod Features
- Explore More Features
- Customized a Math in the Real-World Lesson
- Reflect and Take Action

*Olivia Odileke*

# Objectives

- Use Nearpod tools to elicit better student understanding of content and real-world application.
- Promote and create opportunities for peer-to-peer feedback and increased engagement.

*Olivia Odileke*
