

FRONT DESK CHARACTER CARDS

Possible Activities:

Concentration: Two sets of cards run off on the same color of paper are needed for this game. Divide the students into groups of two to four students. Each group receives an envelope containing the thirty-six cards. On the outside of the envelope print these directions:

- Take cards from envelope and shuffle them.
- Lay the cards face down on the table.
- Take turns turning over two cards.
- If the cards match, keep them and go again.
- If they do not match replace them.
- Repeat until all pairs have been matched.
- The player with the most cards wins!

Alphabetize: Give pairs of students a set of character cards. Instruct them to shuffle the cards. Tell them that when you say “GO” they are to place the cards in A-B-C order using the characters’ names. The pair that completes the task correctly first wins.

Human Resources: Allow the students to pick a character card. Explain that each character is a human resource and has many skills. Instruct the students to write down at least five skill their character has.
