

Name: \_\_\_\_\_

# Decision Making Model

Directions: Write or draw three benefits and three costs of the decision below.

**Eva should continue to sell lemonade**

## Benefits

A benefit is what satisfies your wants.

1. **Have the opportunity to create something new.**

2. **Make something unique to her culture**

3. **Create a partnership**

## Costs

What you give up when you decide to do something

1. **Need new ideas each time competition arises**

2. **Lose playtime**

3. **Make and enemy**

Should you make this decision? Explain.
