

# What Pet Should I Get?

## Goods and Services

Once Kay and her brother bring their new pet home they are going to need to make sure it stays happy and healthy. In order to do this they will need to purchase goods and services for their pet.

A **GOOD** is an object that can be touched, like a dog collar or catnip.

A **SERVICE** is an action performed by a person such a shampooing at a groomers.

Look at each item. Circle the word **GOOD** if you think it is a good or **SERVICE** if you think it is a service.
